**\*The IRS has determined that the purchaser of this Qualified Plug-in Electric Vehicle may rely on the certification concerning the vehicle's qualification for the Qualified Plug-in Electric Vehicle Credit of \$5,335.60. The tax credit is available to qualifying purchasers. \*Under the Oct. 28th LSV rulling in Oklahoma a Tax Credit of 50% of the purchase price now applies to qualifying purchasers.**

Consult your tax adviser in advance to determine what extent if any, you will benefit from this tax credit.

**ACG has been issued an Executive Order approving its products for sale in California. A CARB Executive Order is recognised by the EPA, meaning the product can also be legally sold in all 50 states. ACG is one of only 4 companies in US to obtain this LSV Executive Order.**
